Dear Sir,

RE: INVITATION TO ATTEND A TWO DAYS COURSE ON CONTRACTS MANAGEMENT, CLAIMS AND DISPUTE RESOLUTIONS.

The above subject refers.

Today's competitive and complex construction industry requires careful consideration in the formation of the construction contract to ensure that it is equitable, specific, and feasible and that liabilities and obligations are clearly defined. Contractors, subcontractors, architects, engineers, and developers who are well prepared can avoid challenges likely to happen thus reducing performance disputes and receiving payment for work performed.

The Institution of Engineers Tanzania (IET) is there for inviting you to attend a two days Contracts Management and Dispute Resolutions course to be held on **November 14-15, 2024 at National College of Tourism, Dar es Salaam** so as to acquire knowledge of how to manage successfully contracts in the construction industry.

Professional Development Units (PDUs) will be accredited by Engineers Registration Board. **Continuous Professional Development Programmes** are mandatory for all practicing professional engineers for the purpose of renewing their Practicing License.
